

# Empathy map canvas

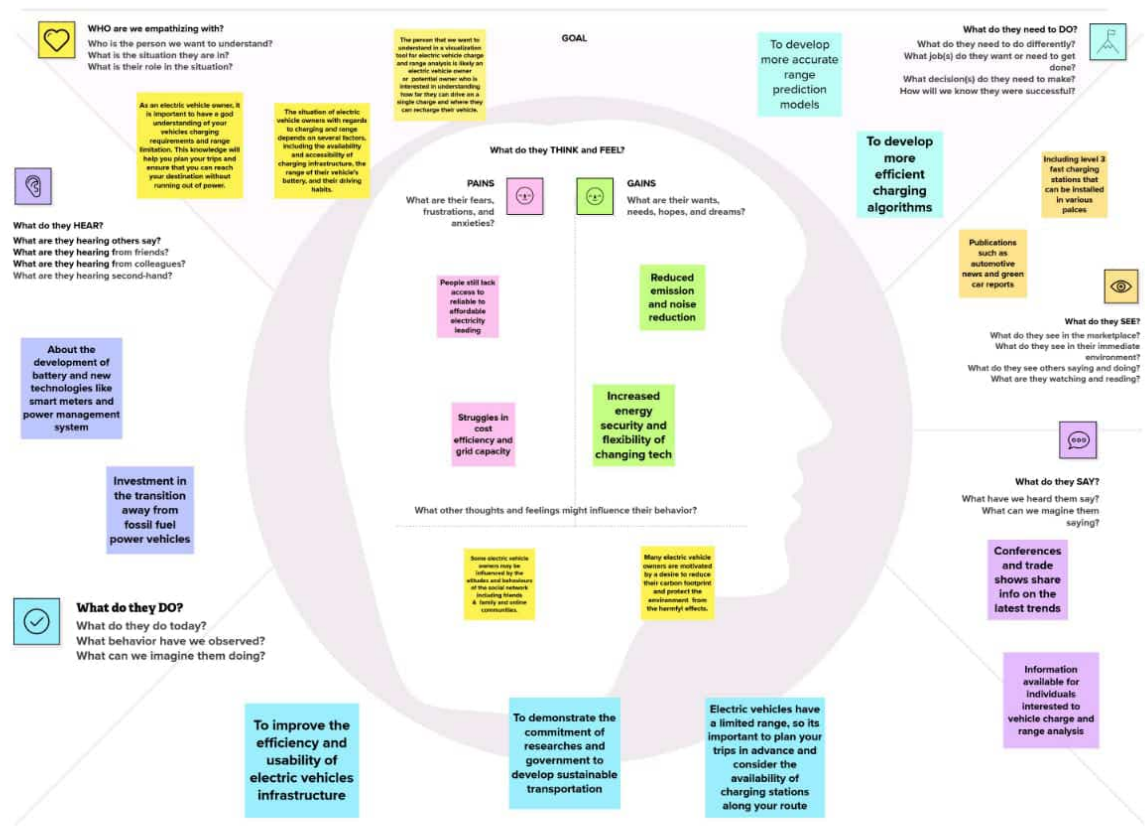

Use this framework to empathize with a customer, user, or any person who is affected by a team's work. Document and discuss your observations and note your assumptions to gain more empathy for the people you serve.

## Develop shared understanding and empathy

Summarize the data you have gathered related to the people that are impacted by your work. It will help you generate ideas, prioritize features, or discuss decisions.

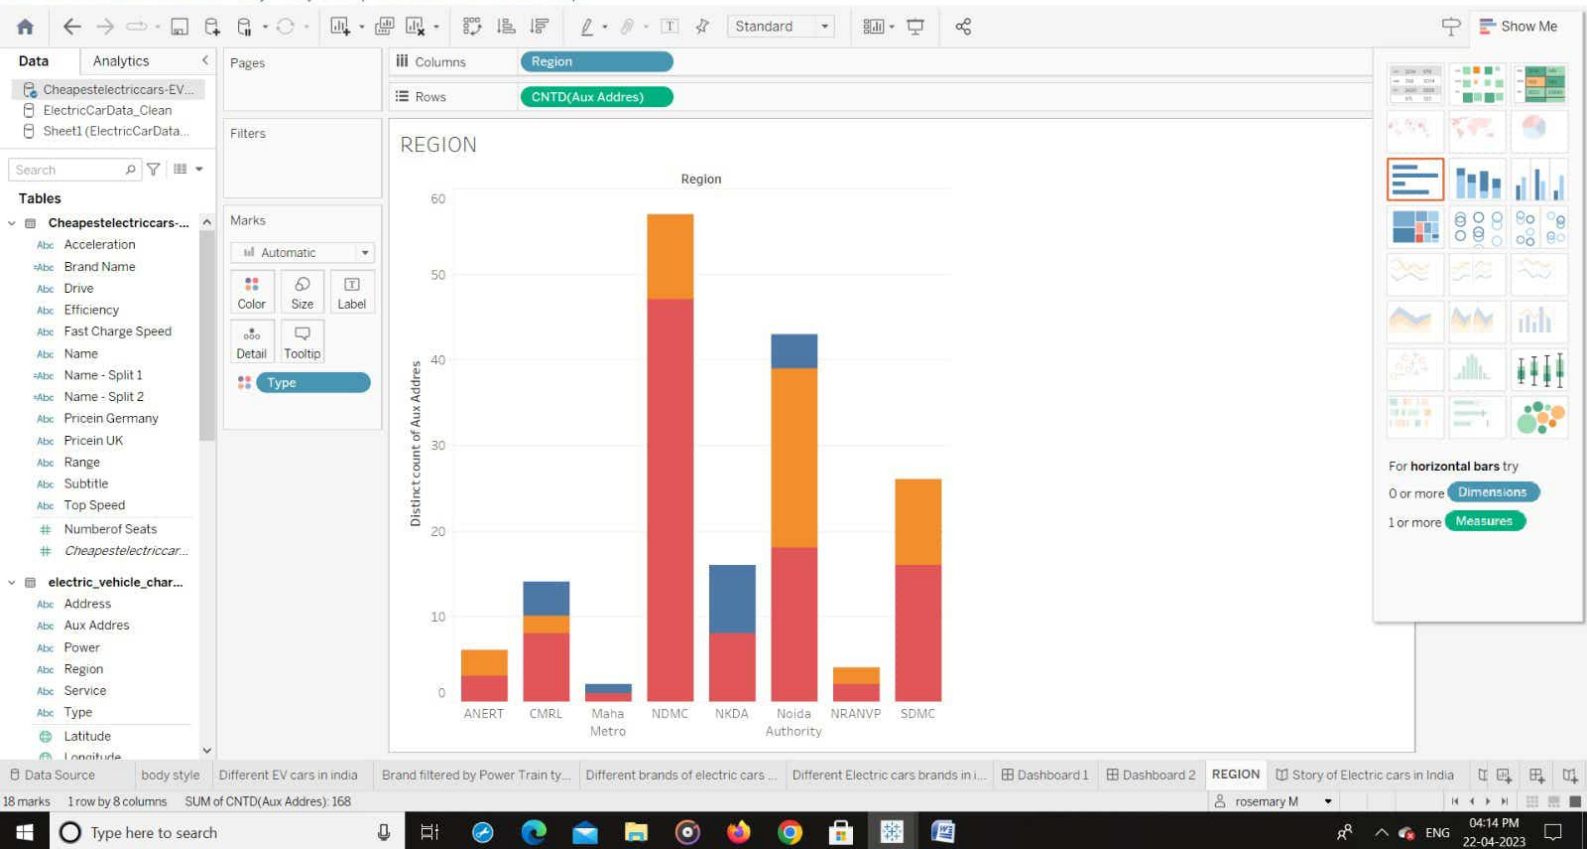

**Need some inspiration?**  
See a finished version of this template to inspire your work.  
[Open example](#)

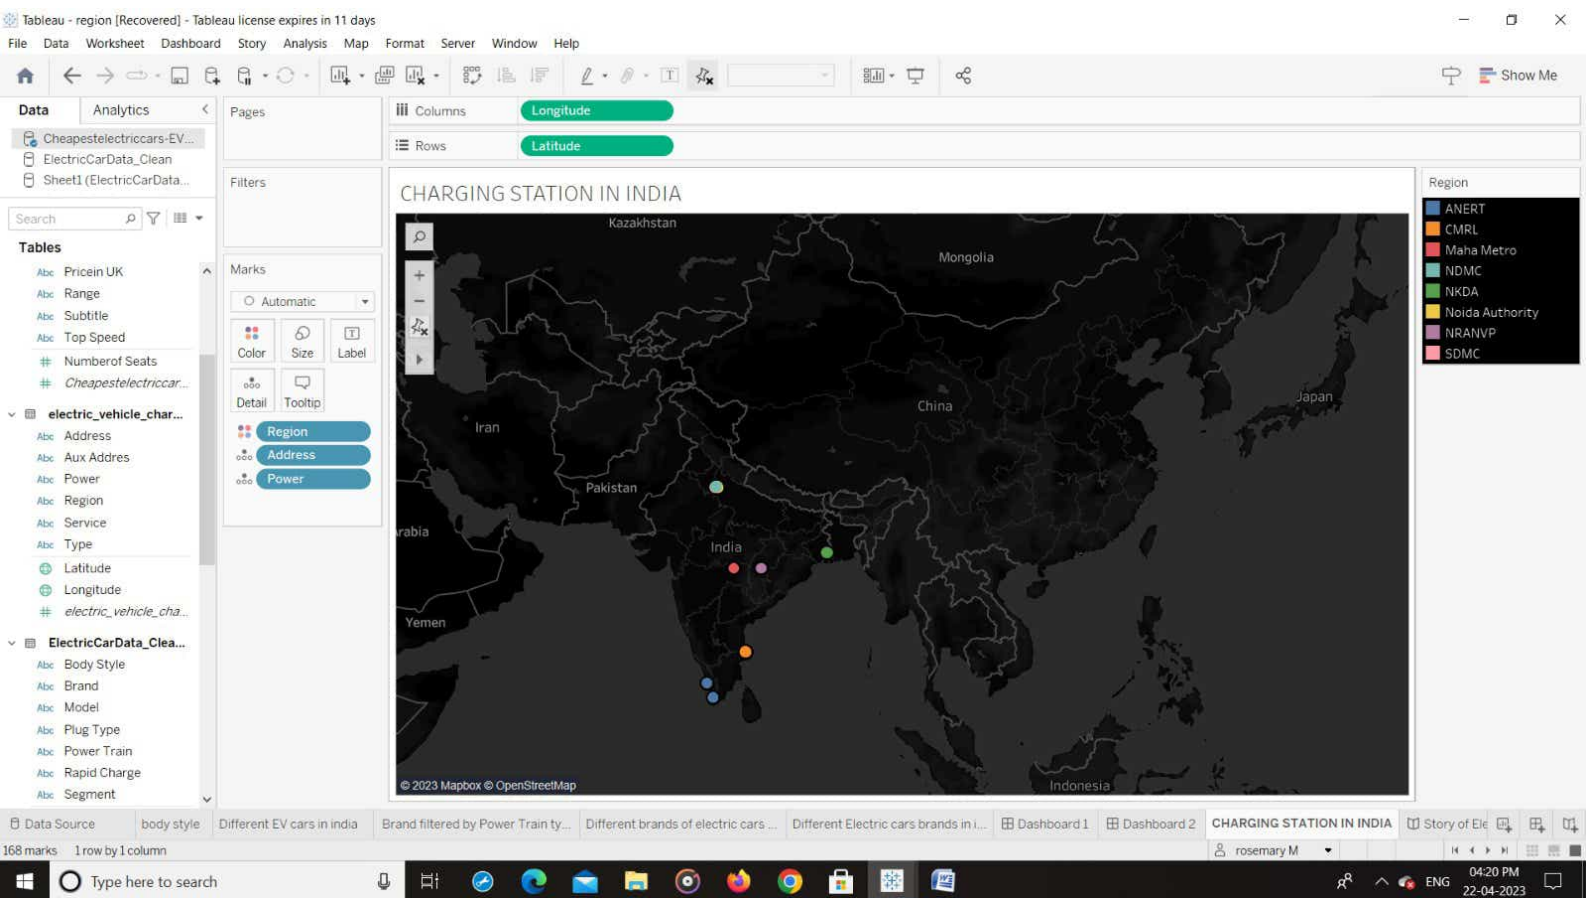

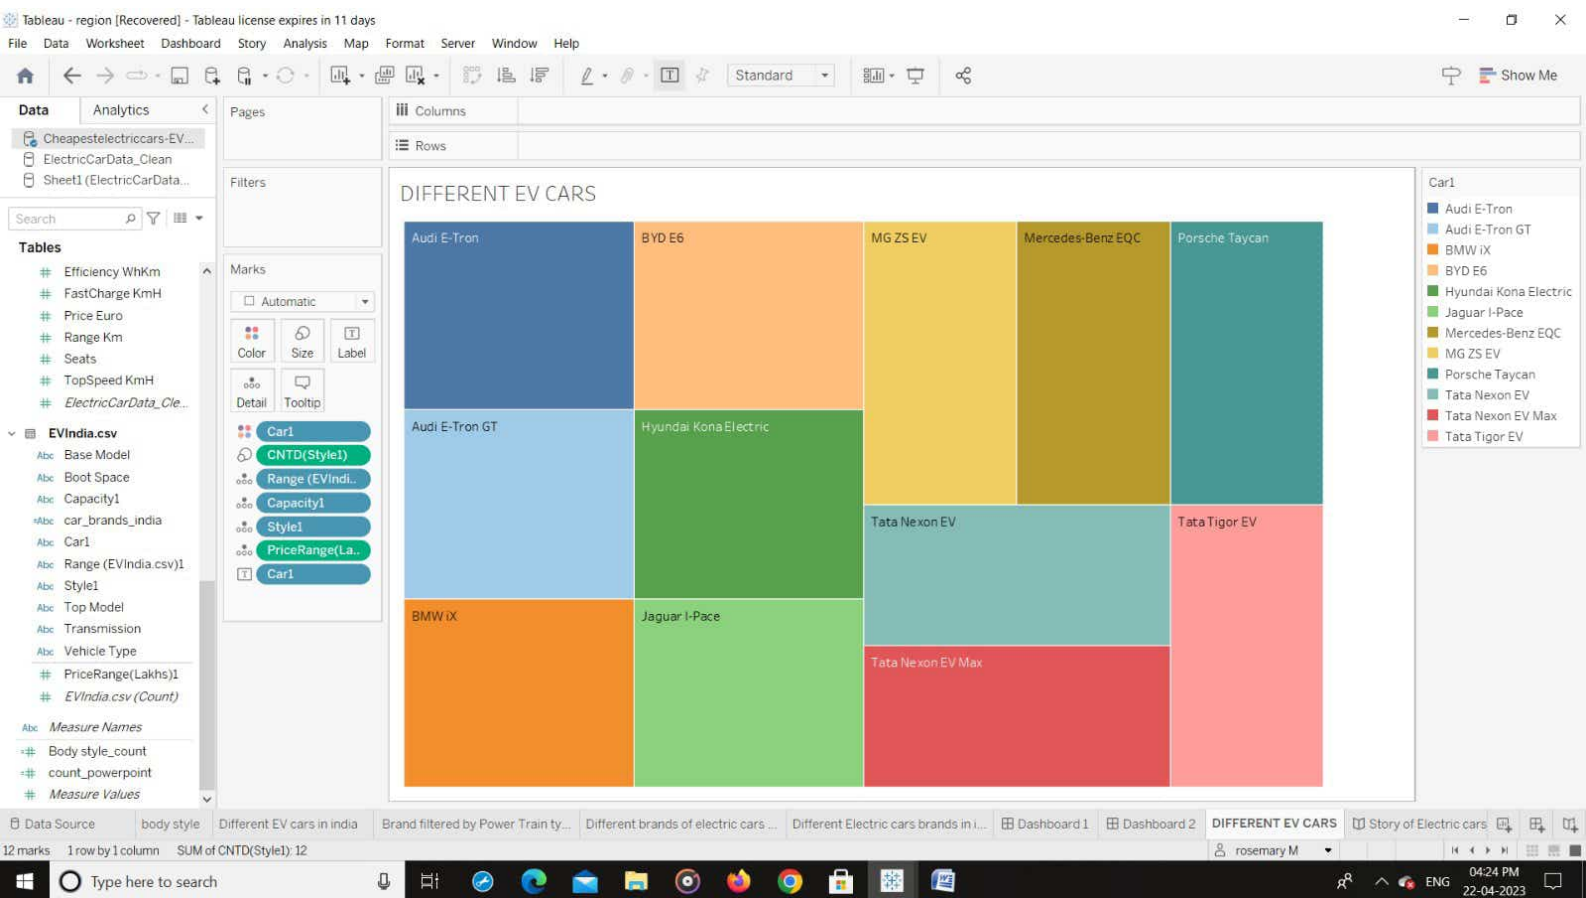

The image displays a collection of 10 creative thinking templates, each designed to facilitate brainstorming and idea prioritization. The templates are arranged in a grid-like fashion, with each one featuring a unique layout and set of instructions.

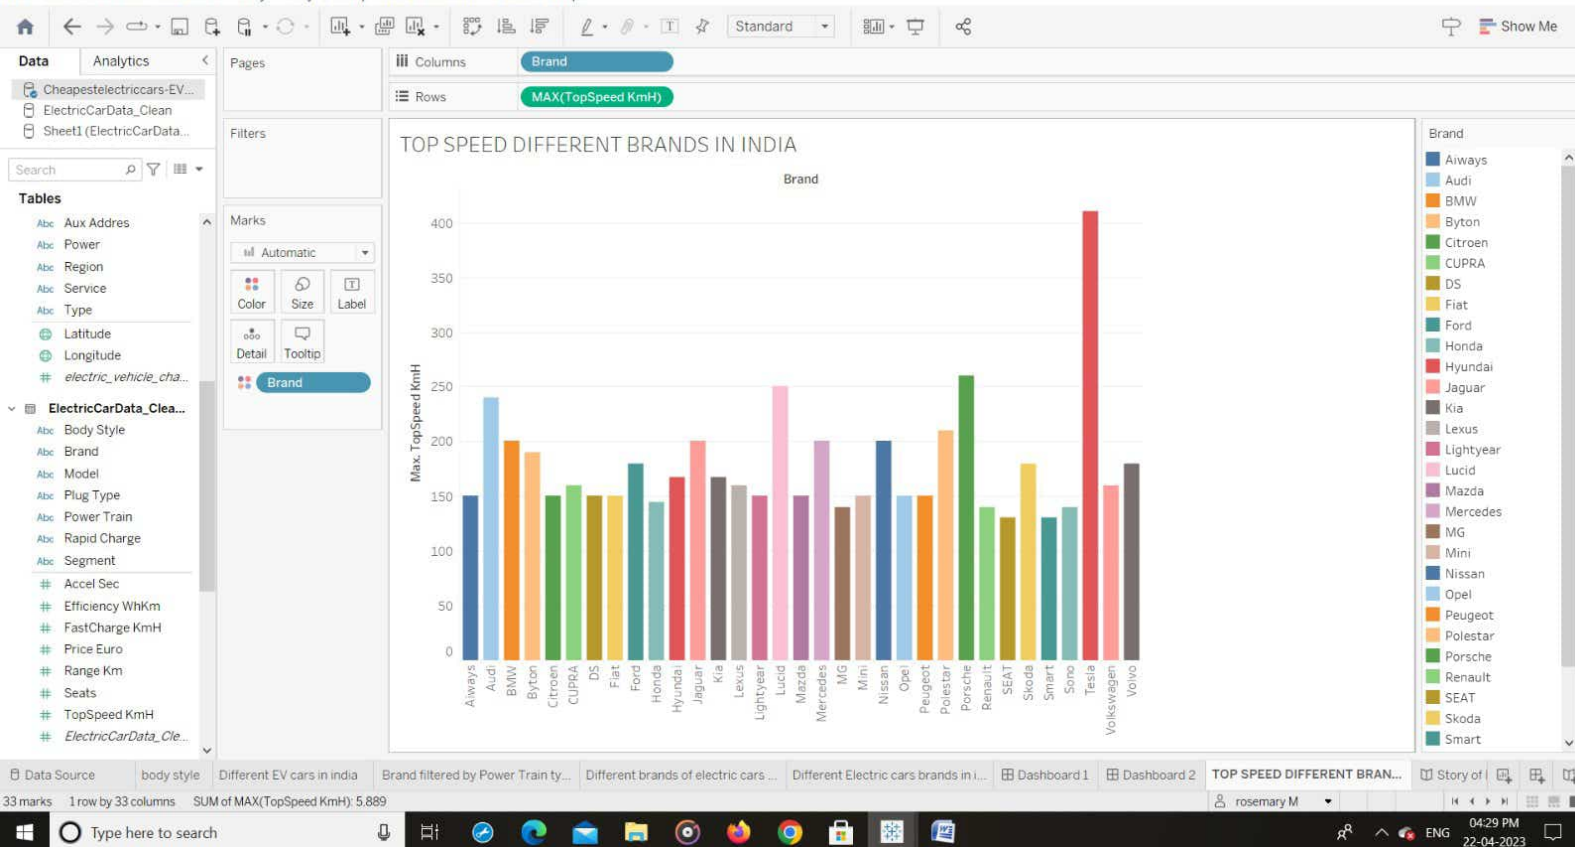

- Template 1: Brainstorm & idea prioritization** - A simple flowchart with a central box labeled "Brainstorm & idea prioritization" and two arrows pointing outwards to "Idea generation" and "Idea prioritization".
- Template 2: Before you collaborate** - A list of questions to ask before collaborating, such as "What are you trying to achieve?" and "What are the goals of the project?".
- Template 3: Define your problem statement** - A structured form with sections for "Problem statement", "Context", "Goals", and "Constraints".
- Template 4: Brainstorm** - A table with columns for "Idea", "Description", "Feasibility", and "Impact". It includes instructions on how to use the table to generate and prioritize ideas.
- Template 5: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
- Template 6: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
- Template 7: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
- Template 8: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
- Template 9: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
- Template 10: Scenario** - A flowchart that starts with "Scenario" and branches into "Future", "Present", and "Past", with arrows indicating the flow of time.
